- (f) a re-classification of a building or any portion of a building from Class 1 - residential to any other class referred to in the *Assessment Act* or its regulations, or
- (g) a loss of exemption in respect of a designated room from an obligation to pay or remit hotel room tax under the *Hotel Room Tax Act* or its regulations;

"demolition" or "demolish" means:

- (a) to pull, knock, or tear down or to raze, wholly or partially, a designated room, or
- (b) to allow a designated room in a building to become uninhabitable as a result of failing to maintain, repair or restore the building, or

### **Application to Council for conversion or demolition permit**

- 4.2 Subject to the provisions of section 4.3, an owner may apply to Council for a permit approving the conversion or demolition of a designated room.

### **Application to General Manager of Arts, Culture and Community Services for conversion or demolition permit**

4.3A Despite the provisions of section 4.2, an owner may also apply to the General Manager of Arts, Culture and Community Services for a permit approving the conversion or demolition of designated rooms in a building if the work approved by the permit will result in the loss of no more than 3 designated rooms in the building and the work will, in the opinion of the General Manager, result in improved livability or operations of the building and secure affordability of the converted or demolished rooms.

### **Conversion or demolition permit application requirements**

- 4.4 An applicant for a conversion or demolition permit, pursuant to sections 4.2 or 4.3 must give the General Manager of Arts, Culture and Community Services:
- (a) an applicant for a conversion or demolition permit in the form prescribed by the General Manager of Arts, Culture and Community Services;

#### **Consideration of permit if part of a rezoning application**

- 4.6A If a conversion or demolition permit is required as a consequence of a development that is subject to a rezoning application, then the SRA permit application should be considered by Council at the same time as the rezoning application.

#### **Issuance of conversion or demolition permit**

- 4.7 Council or the General Manager of Arts, Culture and Community Services may:

#### **Other permits**

- 4.13 Issuance of a conversion or demolition permit, with or without conditions, does not exempt an owner or other person from any requirement under any other city by-law to obtain development, building, or other permits in connection with the conversion or demolition of a designated room, and to pay all fees required under those by-laws.
