

Part 2

Application of By-law

2.1 Scope of By-law

This by-law applies to all signs on lands within the City, including lands covered by water, except for signs:

- (a) on streets;
- (b) in parks;
- (c) inside a building or on a site, and not intended to be visible from the exterior of the building or from a street; or
- (d) erected under the authority of a statute, by-law or regulation.

2.2 Compliance with By-law

A sign must not be erected, placed, displayed, altered or moved unless it complies with the provisions of this by-law and all other applicable by-laws.

2.3 Prohibited Signs

Signs that are not specifically permitted by this by-law are prohibited.

2.4 Permit Requirement

A sign permit is required:

- (a) to erect any sign except those signs listed in Part 6 of this by-law; and
- (b) to replace or re-erect a sign that has been removed from its supports or a building for maintenance purposes.
