

# Land Uses by Zoning District

This list of land uses by zoning district is provided for information purposes only and does not form part of the Zoning and Development By-law. This reference document is updated periodically. Please refer to the Zoning and Development By-law for exact regulations and requirements.

Land uses are separated by outright approval use and conditional approval use, according to their respective districts. Aside from the First Shaughnessy District, comprehensive development districts including CD-1 by-laws are not included in this list. Zoning districts denoted with an asterisk (\*) indicate approval is limited to specific areas within the zoning district.
