C-3A District Schedule

1 Intent
The intent of this Schedule is to provide for a wide range of goods and services, to maintain commercial activities, specialized services and some light manufacturing enterprises while preserving the character and general amenity of the area and its immediate surroundings, and to provide for dwelling uses designed compatibly with commercial uses.

2 Outright Approval Uses
2.1 Subject to all other provisions of this By-law and to compliance with section 2.3 and the regulations of this Schedule, the uses listed in section 2.2 shall be permitted in this District and shall be issued a permit.

2.2 Uses
2.2.A Accessory Buildings customarily ancillary to any of the uses listed in this Schedule, provided that:
   (a) no accessory building exceeds 3.7 m in height measured to the highest point of the roof if a flat roof, to the deck line of a mansard roof, or to the mean height level between the eaves and the ridge of a gable, hip or gambrel roof, provided that no portion of an accessory building may exceed 4.6 m in height;
   (b) all accessory buildings are located in the rear yard and in no case are less than 3.1 m from the ultimate centre line of any rear or flanking lane;
   (c) the total floor area, measured to the extreme outer limits of the building, of all accessory buildings is not greater than 15 percent of the total area of the site;
   (d) not applicable; [Maximum width]
   (e) not applicable; [Proximity to residential dwelling]
   (f) no accessory building obstructs the horizontal daylight access prescribed in this Schedule for residential use.

2.2.C Accessory Uses customarily ancillary to any of the uses listed in this section, provided that unless permitted as an outright approval use pursuant to section 2 of this Schedule, the total floor area of all accessory uses is not greater than 25 percent of the gross floor area of the principal use.

2.2.C The Director of Planning may vary the maximum height, floor area and location regulations for accessory buildings and accessory uses except that the maximum height shall not, in any event, exceed the maximum prescribed in section 4.3.1 nor the floor space exceed 33⅓ percent of the gross floor area of the principal use.

3.3.2 The Director of Planning may vary the use conditions of section 3.3.1 to permit the outdoor display of retail goods, and may include such other conditions as the Director of Planning deems necessary, having regard to the type of merchandise, the area and location of the display with respect to adjoining sites, the hours of operation and the intent of this Schedule.

4 Regulations

All uses approved under sections 2 and 3 of this District Schedule shall be subject to the following regulations.

4.1 Site Area -- Not Applicable.

4.2 Frontage -- Not Applicable.

4.3 Height

4.3.1 The maximum height of a building shall be 9.2 m.
4.3.2 The Director of Planning or the Development Permit Board may permit an increase in the maximum height of a building with respect to any development, provided that the Director of Planning or the Development Permit Board first considers:

(a) the intent of this Schedule, all applicable policies and guidelines adopted by Council and the relationship of the development with nearby residential areas;
(b) the height, bulk, location and overall design of the building and its effect on the site, surrounding buildings and streets and existing views;
(c) the amount of open space, including plazas, and the effects of overall design on the general amenity of the area;
(d) the provision for pedestrian needs;
(e) the preservation of the character and general amenity desired for the area; and
(f) the submission of any advisory group, property owner or tenant.

4.4 Front Yard and Setback

4.4.1 No front yard shall be required.

4.4.2 A setback of 1.2 m from the front property line shall be required for any parking area.

4.5 Side Yards and Setback

4.5.1 No side yard shall be required, except that where the site adjoins, without the intervention of a lane, a site located in an R district, in which case the following side yard requirements apply:

(a) where the adjoining site is in an RM district, a side yard with a minimum width of 1.5 m shall be provided adjoining the RM district;
(b) in all other cases, a side yard with a minimum width of .9 m shall be provided, except in the case of a corner site in which case an exterior side yard need not be provided.

4.5.2 Where a side yard is provided, although not required, the minimum provisions of section 4.5.1 shall apply.

4.5.3 In the case of a corner lot, a setback of 1.2 m from the side property line abutting the flanking street shall be required for any parking area.

4.6 Rear Yard and Setback

4.6.1 A rear yard with a minimum depth of 3.1 m shall be provided, except that where the rear of the site abuts a lane, this required minimum depth shall be decreased by the lane width between the rear property line and the ultimate centre line of the lane.

4.6.2 Where any portion of a building contains residential uses, that portion shall be set back a minimum of 7.6 m from the rear property line across the full width of the building, except that where the rear of the site abuts a lane, this required minimum setback shall be decreased by the lane width between the rear property line and the ultimate centre line of the lane.

4.7 Floor Space Ratio

4.7.1 The floor space ratio shall not exceed 1.00, except that:

(a) the Director of Planning or the Development Permit Board may permit an increase in floor space ratio to a maximum of 3.00, if the Director of Planning or the Development Permit Board first considers:
   (i) the intent of this Schedule, all applicable Council policies and guidelines and the relationship of the development with nearby residential areas,
   (ii) the height, bulk, location and overall design of the building and its effect on the site, surrounding buildings and streets, and existing views,
(iii) the amount of open space, including plazas, and the effects of overall design on the general amenity of the area,
(iv) the effect of the development on traffic in the area,
(v) the provision for pedestrian needs, and
(vi) the design and livability of any dwelling uses; and

(b) despite the provisions of subsection 4.7.1(a), if the Director of Planning or the Development Permit Board first considers the intent of this district schedule, all applicable Council policies and guidelines and the submissions of any advisory groups, property owners or tenants, and there is no heritage density available for transfer, the Director of Planning or the Development Permit Board may permit an additional increase in permitted floor area of one m² for each amenity share provided to the city at no cost to the city, to a maximum increase of 10% above the maximum permitted floor space ratio.

4.7.2 In this district schedule, amenity means conservation of protected heritage property.

4.7.3 For the purposes of this district schedule, the cost of an amenity share is the amount specified per m² in the Heritage Amenity Share Cost Schedule G.

4.7.4 Notwithstanding the provisions of subsection 4.7.1, the maximum floor space ratio achievable as a result of the provision of amenity shares must otherwise comply in all respects with this district schedule and this by-law.

4.7.5 The following shall be included in the computation of floor space ratio:

(a) all floors of all buildings including accessory buildings, both above and below ground level, to be measured to the extreme outer limits of the building; and

(b) in dwelling units and artists studios, where the distance from a floor to the floor above, or where there is no floor above, to the top of the roof rafters or deck, exceeds 3.7 m, an additional amount equal to the area of the floor below the excess height, except that the Director of Planning may exclude additional height in combination with:

(i) an undeveloped floor area beneath roof elements which are, in the opinion of the Director of Planning, solely for decorative purposes and to which the only means of access is a hatch, residential lobby or mechanical penthouse, or

(ii) venting skylights, opening clerestory windows or other similar features which, in the opinion of the Director of Planning, reduce energy consumption or improve natural light and ventilation.

4.7.6 The following shall be excluded in the computation of floor space ratio:

(a) balconies and decks and any other appurtenances which, in the opinion of the Director of Planning, are similar to the foregoing, provided that the total area of these exclusions does not exceed 8% of the floor area being provided;

(b) patios and roof decks, provided that the Director of Planning first considers the effect on privacy and overlook;

(c) amenity areas for the social and recreational enjoyment of residents and employees, or providing a service to the public, including facilities for general fitness, general recreation and child day care, provided that:

(i) the total area being excluded shall not exceed the lesser of 20 percent of the permitted floor space or 1 000 m²; and

(ii) in the case of a child day care centre, the Director of Planning, on the advice of the Director of Social Planning, is satisfied of the need for the facility in the immediate neighbourhood.

(d) where floors are used for off-street parking and loading, the taking on or discharging of passengers, bicycle storage, heating and mechanical equipment, or uses which in the opinion of the Director of Planning are similar to the foregoing, those floors or portions thereof so used, which:
(i) are at or below the base surface, provided that the maximum exclusion for a parking space shall not exceed 7.3 m in length; or
(ii) are above the base surface and where developed as off-street parking are located in an accessory building situated in the rear yard, provided that the maximum exclusion for a parking space shall not exceed 7.3 m in length; and

(e) all residential storage space above or below base surface, except that if the residential storage space above base surface exceeds 3.7 m² per dwelling unit, there will be no exclusion for any of the residential storage space above base surface for that unit.

4.7.7 The Director of Planning may permit the following to be excluded in the computation of floor space ratio:

(a) enclosed residential balconies, provided that the Director of Planning first considers all applicable policies and guidelines adopted by Council and approves the design of any balcony enclosure, subject to the following:
   (i) the total area of all open and enclosed balcony or deck exclusions does not exceed eight percent of the residential floor area being provided; and
   (ii) no more than fifty percent of the excluded balcony floor area may be enclosed;
(b) interior public space, including atria and other similar spaces, provided that:
   (i) the excluded area shall not exceed the lesser of 10 percent of the permitted floor area or 600 m²;
   (ii) the excluded area shall be secured by covenant and right of way in favour of the City of Vancouver which set out public access and use; and
   (iii) the Director of Planning first considers all applicable policies and guidelines adopted by Council.

4.7.8 The Development Permit Board may increase the allowable floor space ratio by a maximum of 10 percent where the increase results from a transfer of heritage density, except that this provision shall not apply to a development where there has been an increase in floor space ratio pursuant to section 4.7.1(b).

For the purposes of this section “heritage density” means density provided as compensation for a heritage designation, which is transferred from the site of the designated heritage property to another site in accordance with Council’s Transfer of Density Policy and Procedure.

4.9 [Deleted -- see Parking By-law.]

4.10 Horizontal Angle of Daylight

4.10.1 Each habitable room must have at least one window on an exterior wall of a building.

4.10.2 Each exterior window must be located so that a plane or planes extending from the window and formed by an angle of 50 degrees, or two angles with a sum of 70 degrees, will encounter no obstruction over a distance of 24.0 m.

4.10.3 The plane or planes referred to in section 4.10.2 must be measured horizontally from the centre of the bottom of each window.

4.10.4 The Director of Planning or Development Permit Board may vary the horizontal angle of daylight requirement, if:
   (a) the Director of Planning or Development Permit Board first considers all the applicable policies and guidelines adopted by Council; and
   (b) the minimum distance of unobstructed view is not less than 3.7 m.

4.10.5 An obstruction referred to in section 4.10.2 means:
   (a) any part of the same building including permitted projections; or
   (b) the largest building permitted under the zoning on any adjoining site.
4.10.6 A habitable room referred to in section 4.10.1 does not mean:

(a) a bathroom; or
(b) a kitchen whose floor area is the lesser of:
   (i) 10% or less of the total floor area of the dwelling unit, or
   (ii) 9.3 m².

4.11 to 4.14 (Reserved)

4.15 Acoustics

4.15.1 A development permit application for dwelling uses shall require evidence in the form of a report and recommendations prepared by persons trained in acoustics and current techniques of noise measurement demonstrating that the noise levels in those portions of the dwelling units listed below shall not exceed the noise levels expressed in decibels set opposite such portions of the dwelling units. For the purposes of this section the noise level is the A-weighted 24-hour equivalent (Leq) sound level and will be defined simply as the noise level in decibels.

5 Relaxation of Regulations

5.1 Where a need for any public, social, cultural or recreational facility has been demonstrated to the satisfaction of the Development Permit Board, the Board may relax for any one building, which includes one or more of such facilities, the maximum floor space ratio or density of a building and may require that any such facility be preserved in the public domain by way of a registered agreement and operated by the City or its delegates.

In determining the amount of the increase in floor area or density that may be permitted, the Development Permit Board shall consider:

(a) the construction cost of the facility;
(b) any costs to the developer of continuing maintenance required for the facility;
(c) the rental value of the increased floor area;
(d) the value of any authorized relaxation of other restrictions; and
(e) the opinion of City Council.
