1 Intent

The intent of this District Schedule is to strongly encourage the retention and renovation of existing character houses by providing incentives such as increased floor area, additional dwelling units, and additional relaxation provisions. New development has an emphasis on preserving consistency with existing lot patterns, and compatibility with neighbourhood character while also providing variety in housing choices.

RT-5N requires noise mitigation measures but is otherwise the same as RT-5. Conditional approval uses in RT-5 and RT-5N should also comply with the Design Guidelines.
