| 5.1.2   | Except as otherwise specified in this By-law, the Director of Planning or the Development Permit Board, in the exercise of their jurisdiction, may relax the provisions of this By-law where Council determines that the proposed development would make a contribution to conserving a building or site designated by Council as protected heritage property or a building or site on the Heritage Register. Any development permit issued shall specify the heritage aspects of the building or site that merit the relaxation authorized by this section. Before granting any relaxation, the Director of Planning or the Development Permit Board shall: |

this purpose defining the aspects of the building or site that give it heritage value and advising on the proposed conservation work;

(b) notify such adjacent property owners and tenants as deemed necessary, consider the responses received, and if there is significant objection, refer the matter to Council for advice; and

(c) consider the provisions of this By-law and all applicable policies and guidelines adopted by Council.

5.1.3 Except as otherwise specified in this By-law, the Director of Planning or the Development Permit Board, in the exercise of their jurisdiction, may relax the provisions of this By-law where the proposed development makes provision for low cost housing for persons receiving assistance, if the Director of Planning or the Development Permit Board first considers:

(a) all applicable Council policies and guidelines;

(b) the impact on the liveability of neighbouring residents; and

(c) the proposed development is not in the RS-1, RS-1A, RS-1B, RS-2, RS-3 and RS-3A, RS-5, RS-6, RS-7, RT-1, RT-4, RT-7, RT-9, RT-10 or RT-11 zoning district or in any other zoning district that permits one-family dwellings and does not permit multiple dwellings.

For the purposes of this section, low cost housing for persons receiving assistance means social housing, except that 70% of the dwelling units must be occupied by persons eligible for either Income Assistance or a combination of basic Old Age Security pension and Guaranteed Income Supplement and must be rented at rates no higher than the shelter component of Income Assistance, and the remainder of the dwelling units must be occupied by households with incomes below housing income limits, as set out in the current ‘Housing Income Limits’ table published by the British Columbia Housing Management Commission, or equivalent publication.

5.1.4 The authority of the Director of Planning or the Development Permit Board to relax any provision of this By-law pursuant to this section 5.1 includes the authority to impose conditions, including but not limited to time limitations.

the Director of Planning may vary the requirements in the appropriate district schedule regarding yards, setbacks, site coverage, impermeability, building depth, and side door entrance to the extent necessary to allow such enhanced accessibility.

5.2.3 The Director of Planning may vary the provisions of this By-law regulating the siting of a building, provided that:

(a) the proposed siting of a building will accommodate the retention of an existing tree which, in the opinion of the Director of Planning, warrants retention; and

(b) the resulting siting of a building will not, in the opinion of the Director of Planning, result in unduly adverse effects on adjacent properties.
